MH Message Numbers

The *current message*:

- Most recently displayed/replied-to/etc.
- If you don't give message number, MH uses current message
- Each folder has its own current message

Shortcuts for message numbers:

- `next prev cur first last`
- `1-10 25 27-35 42`
- `first:10 last:20 cur:-5`
- `first-10 cur-last`
